

TOURISM VISA - Family of European citizen (spouse)

NB Foreigners considered family members of Italian citizens for the purposes of obtaining a visa are:

- the spouse (or part of a civil union);
- direct descendants aged under 21 or dependents (and those of the spouse);
- dependent direct ascendants (and those of the spouse).

DOCUMENTATION TO SUBMIT:

1. Schengen visa application form (C), duly completed and signed.
2. Two (2) recent color passport photos on a white background (3.5 x 4.5 cm).
3. Valid passport (whose expiry date is at least three months later than that of the visa requested), comprising at least two blank pages + photocopy of the first two pages and the pages containing the visas and stamps of entry and exit from the Schengen area.
4. Photocopy of Cameroonian identity card or residence permit for nationals of other countries.
5. Declaration of hospitality and copy of the identity card of the Italian spouse.
6. Marriage certificate legalized by our Embassy.
7. Reservation of airline tickets.

NB Applicants who wish to settle in Italy on the long term must anyway apply for a short-stay Schengen visa: it is their responsibility to then apply for a residence permit in Italy at the competent Prefecture.
